

Student Holdings

**BIGGER, BETTER STUDENT HOLDINGS
FUNDRAISING CAMPAIGN**

WWW.STUDENTHOLDINGS.ORG

Student Holdings NFP is a 501(c)(3) nonprofit organization

Experiential learning is the key gap in business education offerings today

- Students have a high – and growing – interest in pursuing careers in **business and entrepreneurship**
- However, there is **no undergraduate business degree at Northwestern** and while courses focus on “verticals” (e.g., marketing, accounting), there is **no integrated offering** that rounds out the student experience
- **Experiential opportunities** are critical to teach students how each of these “verticals” interact *in practice, not in theory*

Student Holdings

OUR MISSION

STUDENT HOLDINGS PROVIDES NORTHWESTERN UNDERGRADUATES WITH
EDUCATIONAL, **HANDS-ON** BUSINESS LEARNING **EXPERIENCES**
BY PROVIDING THEM WITH THE **OPPORTUNITIES** TO
LAUNCH, OPERATE, AND **GROW** BUSINESSES
THAT **SERVE** THE NORTHWESTERN, EVANSTON AND CHICAGO
COMMUNITIES.

Student Holdings offers a unique learning experience that cannot be replicated in the classroom

Student Holdings provides two unique experiences which lay the groundwork for students' careers:

1 The Business Experience

- We challenge our student members to run **financially strong companies** while satisfying customers and employees
- This requires **cross-functional expertise** in operations, sales, marketing, finance and technology
- It also requires **strong management** of often conflicting stakeholders including customers, suppliers and employees

2 The People Experience

- Students assume leadership roles with **a level of ownership unlike any other on campus**
- Success requires them to **set a vision and manage up/down/across in pursuit of that vision**
- Our **community extends beyond graduation** – with members leaning on alumni for incomparable post-grad opportunities

We provide students their first experience in business and a foundation for their career
